

Indian Creek supporter and memorial cart path

Help support our bridge and course updates by buying your own personalized 4x8" brick paver. The pathway will be from the cart parking area all the way up to hole #1 bridge. There are approximately 1200 bricks we will be using to complete this addition and proceeds will be going to replace #1 bridge and repairs on Hole #3 bridge. Our goal is to sell at least half and proceeds left over will be saved for the next section of parking lot to be installed. Please fill out the appropriate lines below.

4" x 8"

Engraved Brick Paver

\$50.00

Up to 3 lines of print

Up to 16 Characters per line

You are limited to the number of spaces below. Please print one character per space.
