OPTIONAL GOLF RELATED FEES

	CHECK		ENCLOSED
Locker Rental - Locker # (if Renewal)		\$50	
Hole-In-One Insurance*		\$20	
CDGA Handicap**		\$30	

*Traditionally a golfer hitting a hole-in-one buys a round of drinks for everyone at the golf course at the time the hole-in-one occurred. With this, Indian Creek will purchase the round of drinks if the golfer is "insured".

**The Chicago District Golf Association website features My CDGA Caddie, which allows players to access their handicap information and post scores from a computer at the club. We also recommend you download the CDGA APP from the store, and enter your scores on your mobile device. We then use these handicaps for your seeding in the club events. No player without a handicap will be allowed into the club tournament.
